

HOW DO I CLUB PASS A PLAYER TO MY TEAM

Your team has completed State Cup and is advancing to the Regional Tournament, you may therefore, “Club Pass” a player or players to your team. A club pass player is a player that was registered to your club prior to the start of the State Cup. (Independent teams may not club pass a player) This player’s primary team is not advancing to the regional event.

1. Contact the player’s current team manager
2. Have the manager release player from his/her current team
3. Once player is released and approved by DYSA, you may transfer the player to your team
4. DYSA will approve the transfer (club pass)
5. Print a new player pass for the player and the player has now been “club passed” to your team
