12.0.2. To ensure that all traveling and hosting teams or organizations are affiliated with U.S. Youth Soccer or approved organizations and are in good standing with their respective associations;

12.0.3. To insure that standardized and uniform practices are followed by all organizations who are sanctioned to host a tournament so that any team participating in a tournament can know that the tournament will be conducted openly, fairly and in accordance with U.S. Youth Soccer rules, and these policies and procedures;

12.0.4. To define the responsibilities of hosting teams or organizations to their visitors;

12.0.5. To ensure that the prior approval of U.S. Soccer and FIFA is obtained for teams from outside the United States; and

12.0.6. To ensure that all disciplinary actions arising out of tournament play are referred to the home National State Association for appropriate action.

12.1. Enforcement of Policies

It is the responsibility of the National State Association granting permission to travel or to host to ensure that the policies in the Travel and Tournament Manual are followed. Failure of a host organization to follow policy may result in the imposition of sanctions upon that organization.

The procedures and forms contained in this manual are designed to apply to interstate or international competition, but do not apply to the US Youth Soccer National Championships. State Select Teams and Regional Olympic Development Teams must follow the procedures in the Travel and Tournament Manual.

12.2. Application for Travel

Teams from South Texas Youth Soccer Association wishing to travel outside the boundaries of the state association must submit an Application for Travel or Region III Travel Notification via the e-Travel process prior to the date of the planned travel. Any team found to be in violation will be subject to fines, travel restrictions, and additional sanctions by the STYSA Appeals Committee. STYSA, its Executive Committee or the State Office will not accept liability for problems that may arise because of such violations.

STYSA reserves the right to reject any application or notification of travel for any team who is in bad standing with their club, Member Association, or STYSA.
