Payment Deadline

A DDL team must be paid in full (for the 17/18 season) by the Thursday before their 1st scheduled game. Payments will not be accepted at the fields. Payments may only be settled through the STYSA State Office. If a team pays for more games than they are ultimately scheduled for, they will get a refund for the difference.

Failure to Pay According to the DDL Payment Policy

If a DDL team is not paid in full (for the 17/18 season) by the Thursday before their 1st scheduled game, the team will forfeit their 1st DDL game (the game will NOT be played), but will remain in the league on probation. If the team is not paid in full (for the 17/18 season) by the Thursday before their 2nd scheduled game, the team will forfeit their 2nd DDL game (the game will NOT be played) and will be removed from DDL according to league rules (failure to play two scheduled games).

If there are extenuating circumstances regarding league payment, STYSA must be immediately contacted.
