

2019 South Texas Cup (District & State Finals)

EVENT CHECKLIST (Required for Check-in)

This document is a list of reminders and logistical items that all teams must be aware of for the South Texas Cup event. Information covers both the District Playoffs and State Finals.

- Teams must bring an official Association Roster to the event and have available at every game as a back-up document.
- Teams must have a Player Card for every player participating in the event. This includes Primary Rostered Players AND Guest Players (if applicable). Guest Players may use the player card from their primary team. See the “Guest Player Policy” posted on the South Texas Cup webpage for all details. ALL Player Cards must be signed by your Registrar and include a recent photo of the player. All player cards must be laminated. They will be checked by referees at the start of each match, and must be made available.
- Teams and coach must read and sign the Code of Ethics to turn in at Check-In.
- The referees will bring the official game card to the field and upon completion of the game, will get signatures from the coaches and submit the official game card to Tournament Staff. Tournament Staff will update the scores online following each round of games.
- Yelling and/or insulting remarks towards the referees from coaches or spectators **will not be tolerated**. These types of comments could result in removal from the complex for the remainder of the day or event. Players conduct on the field is subject to the authority of the referee. Coaches ejected or removed from a game will not be allowed to return to the complex for the remainder of the event.
- **DISTRICT:** Medals will be given to the 1st and 2nd place finishers within each District Playoff event. Following your final match of the event, medals will be available at tournament headquarters. ****Teams advancing after 2 Semi-Finals winners (no District Final game) will receive their medals in the State Finals round after the District v. District game.**
- **STATE FINALS:** At State Finals, each team will receive a medal according to their final placement (1st – 4th). At State Finals there will be a brief awards ceremony following the last game on Sunday...teams should proceed directly to the awards area following their final game. Patches for all teams will be available at tournament headquarters. A team representative may pick them up at any time during the event. Tournament officials may also hand them out at the fields. Teams advancing to the State Finals can pick them up at that event.
- Any weather related updates or issues will be communicated to all teams via the GotSoccer email/text system. This email update will go to the primary contacts for the team...please keep up-to-date with that address. Bigger announcement will also be posted on the STX Cup webpage: http://www.stxsoccer.org/south_texas_cup/
- IF the South Texas Cup District event on April 6-7 is rained out, would your team be available on April 13-14?
YES NO (please circle/highlight one) ***This is just a poll***
