- c. Guest player may play for only one team in a day.

- d. Individual Penalty Points will accumulate jointly for all games played (separate accumulations by team or competition will not be allowed). The player, coach (of both the Primary and guest team), and the coaching director of each club are responsible for monitoring and complying with STYSA's Progressive Disciplinary System.
- e. All persons failing to properly monitor and comply with the Club Pass System rules are subject to penalty based on the STYSA Progressive Discipline System.
- f. A team may have a pool of players available as guest players not to exceed the per game limit as set forth below. A guest player appearing in a team's player pool may not be removed during the season of play (fall or spring). within the club or association in the age group in question is reasonably fair and even. Reasonably fair and even envisions that some teams may be better than others; however, if one or more teams consistently win or are capable of winning a large majority of its games in a lop-sided manner in the same age group within a club, association or league shall not be permitted to return intact in the next season as a core team in recreational division play.
