**Rule as it presently reads:**

3.8 CLUB PLAYER PASS SYSTEM (Changed 7.19.15) 3.8.1 Purpose. The Club Player Pass System of play for Recreational Plus, Division II, Super 2, and Division I levels of play is designed to maximize the development of the player by allowing players to guest play on a team from the same Club at the same age level, or an older age level team from the same Club, on a temporary basis.

**Proposed Additions and/or Changes:**

3.8 CLUB PLAYER PASS SYSTEM (Changed 7.19.15)

3.8.1 Purpose. The Club Player Pass System of play for Recreational Plus, ***Division III***, Division II, Super 2, and Division I levels of play is designed to maximize the development of the player by allowing players to guest play on a team from the same Club at the same age level, or an older age level team from the same Club, on a temporary basis.

**SECTION II - JUSTIFICATION FOR THE PROPOSED RULE CHANGE:**

**Positives:** Smaller clubs would be allowed to Club Pass players in order to fill a team on game day. This prevents forfeits, schedule changes, and allows the teams to play a game. Smaller clubs would also be able to use DIII players to fill a team on DII teams as well. There are several times a team just needs kids to fill a team to play. Games are continuously not being played in smaller clubs. Most have 1 maybe 2 teams in a division, and higher level teams cannot Club Pass down to below divisions.

**Negatives:** None. No player from a Traveling Rec team is going to make a huge impact on the outcome of a DII or above game.

The same rules that apply to the current DII and above Club Pass system would apply to DIII also in regards to Tournaments, playoffs, etc.
