

State Classic League

Fall 2020 – Play Formats

Based off current information: teams can still expect State Classic League games to begin the weekend of September 12-13 and ONLY Intra-District Games (east v east and west v west) during the month of September. In October, we will begin scheduling cross-district games and other remaining games into November to complete your group formats.

In December, our top two (2) SCL teams per age group will be invited to compete against the bottom two (2) STX Frontier teams for the opportunity to qualify for 2021-2022 USYS Frontier Conference.
