

SAT/ACT Prep

The eKnowledge SAT/ACT Prep Project with South Texas Youth Soccer Association enters its 14th year.

The Project waives the \$350 program price so the student pays only the \$19.99 streaming and support fee. All student fees are reinvested to improve the program and reach more families. The Project does not create a profit.

"Thanks for helping me with this course; I could not afford to pay for one if it was full price and I hope to be the first one in my family to go to college.!" **Teresa Quick**

"I purchased this last year for my freshman daughter. She already took the SSAT and the PSAT10 and has done well on both. In fact, she has been given an academic scholarship to a prep school for her Junior and Senior years. We believe the program gave her an advantage over her peers. I have renewed the SAT study and purchased the ACT as well. I know this will prepare her for college." **Suzanne Senechal**
