District 3 League Rules
Modified August 2017

League Format

- Brackets for the fall season will be determined by a league placement meeting ran by the IYSA Technical Director.

- League teams will play one game against each opponent within their division. This will determine the league champion. If we have small brackets and available play dates then home and away games against each opponent will determine the league champion.

- Final league standings will be used to determine placement for the spring season.

- Depending on the bracket sizes there will be additional games added to make up the 7-8 game schedule. These games are called non-league games and will not count in the scores and standings and will have a different guest-play policy.

- Teams wishing for more games than they get scheduled may organize friendlies amongst themselves and then contact IYSA for referee and field assignment.

Player Eligibility

NO recreational players may participate in league games.

All players must be properly registered as competitive in accordance to current IYSA policy.

- When a player deliberately heads the ball in a game, an indirect free kick (IFK) should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If a player does not deliberately head the ball, then play should continue.
