19.01 About Soccer Fun Days

Oklahoma Soccer Fun Days are a method of generating participation in soccer in a community or club. It can serve as a method to increase soccer registration in communities currently members of OSA or to provide a “fun” experience for those clubs new to the game.

Under the direction of OSA’s Director of Coaching and staff, the Soccer Fun Days will provide training in the basics of the game to players, utilize local club members of the club or volunteers to assist in the games, and provide possible coaches with a model of how to provide coaching for the young player.
