Sid Goodrich – OSA Executive Director
Pauletta Price – OSA Competitive Administrator
David Moore – OSA Recreational Administrator

Discussion Highlights and Action Items

- The 7v7 league will be expanded to include divisions for 16U boys and girls as well as continuing 19U boys and girls.
- When failing to get replies from opponent on reschedule issue, coaches/managers should contact their club admin to facilitate interclub-communication.
- Simplified, consistent, update of the misconduct (red cards) and appeals being written. Planned for implementation Fall 2019, at latest.
- For Spring 2019 and forward, all clubs will have one or more positions titled "Scheduler" in their GotSoccer admin accounts. This contact(s) will receive all scheduling, leaguings and bracketing communications from OSA.
- Encourage regional bracketing at 10U and 12U level. Can create a "Division A" for strong-performing 10U teams to find level competition, with an understanding when entering that increased travel is likely.
- No bracketing ZOOM video conference for Spring 2019. Bracketing committee will be formed. Clubs still provide guidance and review. Clubs cannot "blacklist" other clubs at the club-wide level or for individual age groups, levels or teams.
