Mark Feightner Enid/Competitive west VP

Tina Robinson Tulsa Union/Competitive east VP

Quan Tran, Midwest City/Comp VP

Pauletta Price /OSA Comp Director

**9/11/2019 OCC zoom meeting notes**

-Discussed the U10 players developing and not having a set number of 5 to play U11 competitive. The decision will be made by the DOC of the club. It will NOT be utilized to form a team, but to develop the player (s). This is for U10 players ONLY. No, U9 player are eligible for competitive.

Vote 1: Yes or No to remove the set number (currently 5) and put the ownership for the DOC to approve/disapprove a U10 player to move up to U11 competitive.

-We had a very solid discussion on CPP and allowing girls to CPP to a boys' team. Majority of the discussion would be NOT to allow a girl to CPP to a boys' team. We will have a vote to fully decide.

Vote 2: Yes or No to allow U11/12 girls to CPP only on a U11/12 boys' team. Player must meet the age requirements for the team they are CPP on. No older age groups will be allowed.

Please send your votes to [quan@oksoccer.com](mailto:quan@oksoccer.com)

**Other Discussion:**

-State and Presidents Cup will stay on those set dates.

-CPP for U11/12 is 3 and U13 and up will stay at 4.

-Looking for sites for State/Presidents Cup. Prelims in Edmond, Finals in Tulsa.

-Festivals in Edmond went well. Will discuss other festivals what went right/what went wrong in the next Zoom meeting.

-Great discussion on how moving U10 payers up too competitive and how it may affect small clubs. How moving a U10 player will develop the player that is competitive ready and allowing the certain player/teams for better competition.

Next OCC Zoom meeting November 13, 2019 at 7:30 pm
