Welcome & overview of meeting.

Introductions and attendance of staff/board & clubs

Quick Review of Festival week 1: Scott P

Discussion – review of items discussed in Aug 30 Zoom meeting, most members in agreement that majority of issues in festival week 1 were addressed in festival week 2.

Review Festival week 2: Scott P

Discussion on following items – Fairly smooth weekend of play, weekend much better than 1st festival. Still concern from some clubs on having home games, loss of concession sales and home club referee development.

Lawton loves the festival format – neutral site, referees and receive all game as in the past, teams would not travel to Lawton. Clubs enjoy festival format, maybe simplify or reduce weekends for more home/away play.

Playing two games in a day with two weeks training.

Explanation of scheduling issues – Gotsoccer not coordinating schedules and coach conflicts.

Coaches have 4,5,6 teams that they coach.

Desire to reduce to 1 complex.

Competitive Policies: Sid G
