The RLOC Chairman will cast the deciding vote in case of a tie among other voting members.

C. Meetings – The RLOC shall meet at the request of the Recreational VP or a majority of all members of the LOC, in any form deemed appropriate providing that all standing members are notified of the time, date, and method of such meeting at least 24 hours prior to the meeting.

D. If a referee terminates a match because of player, coach or team conduct, the game score shall be reported, as it was at the time the game was terminated. ## Appendix A

### Recreational and Recreational Plus Club Wide Player Pass Guidelines

All players develop at their own rate due to the difference between chronological age and developmental age. Greater flexibility regarding individual player development must be given to clubs in order to ensure that they are able to help all their players reach the level of excellence that the player desires to achieve as well as to be able to sometimes manage differences in clubs as well.

A Club Player Pass (CPP) system allows for more realistic and fluid movement of players between teams and levels of play. This fluid movement allows the player to be challenged at the appropriate level based on their current level of development. This movement can help reduce the 'win at all cost' team first attitude and put the focus of player development back on the individual player. CPP should never be used to improve a team's standing in league play and should not typically be used to make sure a team has enough players for a game.

#### **Player Movement**

##### **Oversight**

It is recommended that any club using CPP in the Recreational or Recreational Plus setting do so under the guidance and oversight of someone with a US Youth National Y License.

##### **Policy/Procedure**

Any club wishing to utilize CPP for Recreational or Recreational Plus in house games must have a written policy/procedure stating:

- a) Club philosophy for use of CPP in those divisions
- b) Any and all internal rules, restrictions, guidelines, and procedure for use of CPP in those divisions

##### **Guidelines**

While OSA does not provide specific guidelines for when CPP may be used in these divisions in house the following are some situations in which it which it might make good sense to use CPP in these divisions:

- a) Allowing a Recreational player to move to a Recreational Select-Plus team in their age group.
- b) Moving a Recreational or Recreational Plus player to a Recreational Plus team one-age division higher.
- c) Moving a Recreational player to a higher ranked same age team or Recreational team one-age division higher.
- d) CPP shall only be used for League games. The maximum number of CPP players that can be used for any League game are below.

U9-U10 **Two** CPP Players

U11-U12 **Two** CPP Players

U13-U14 **Three** CPP Players

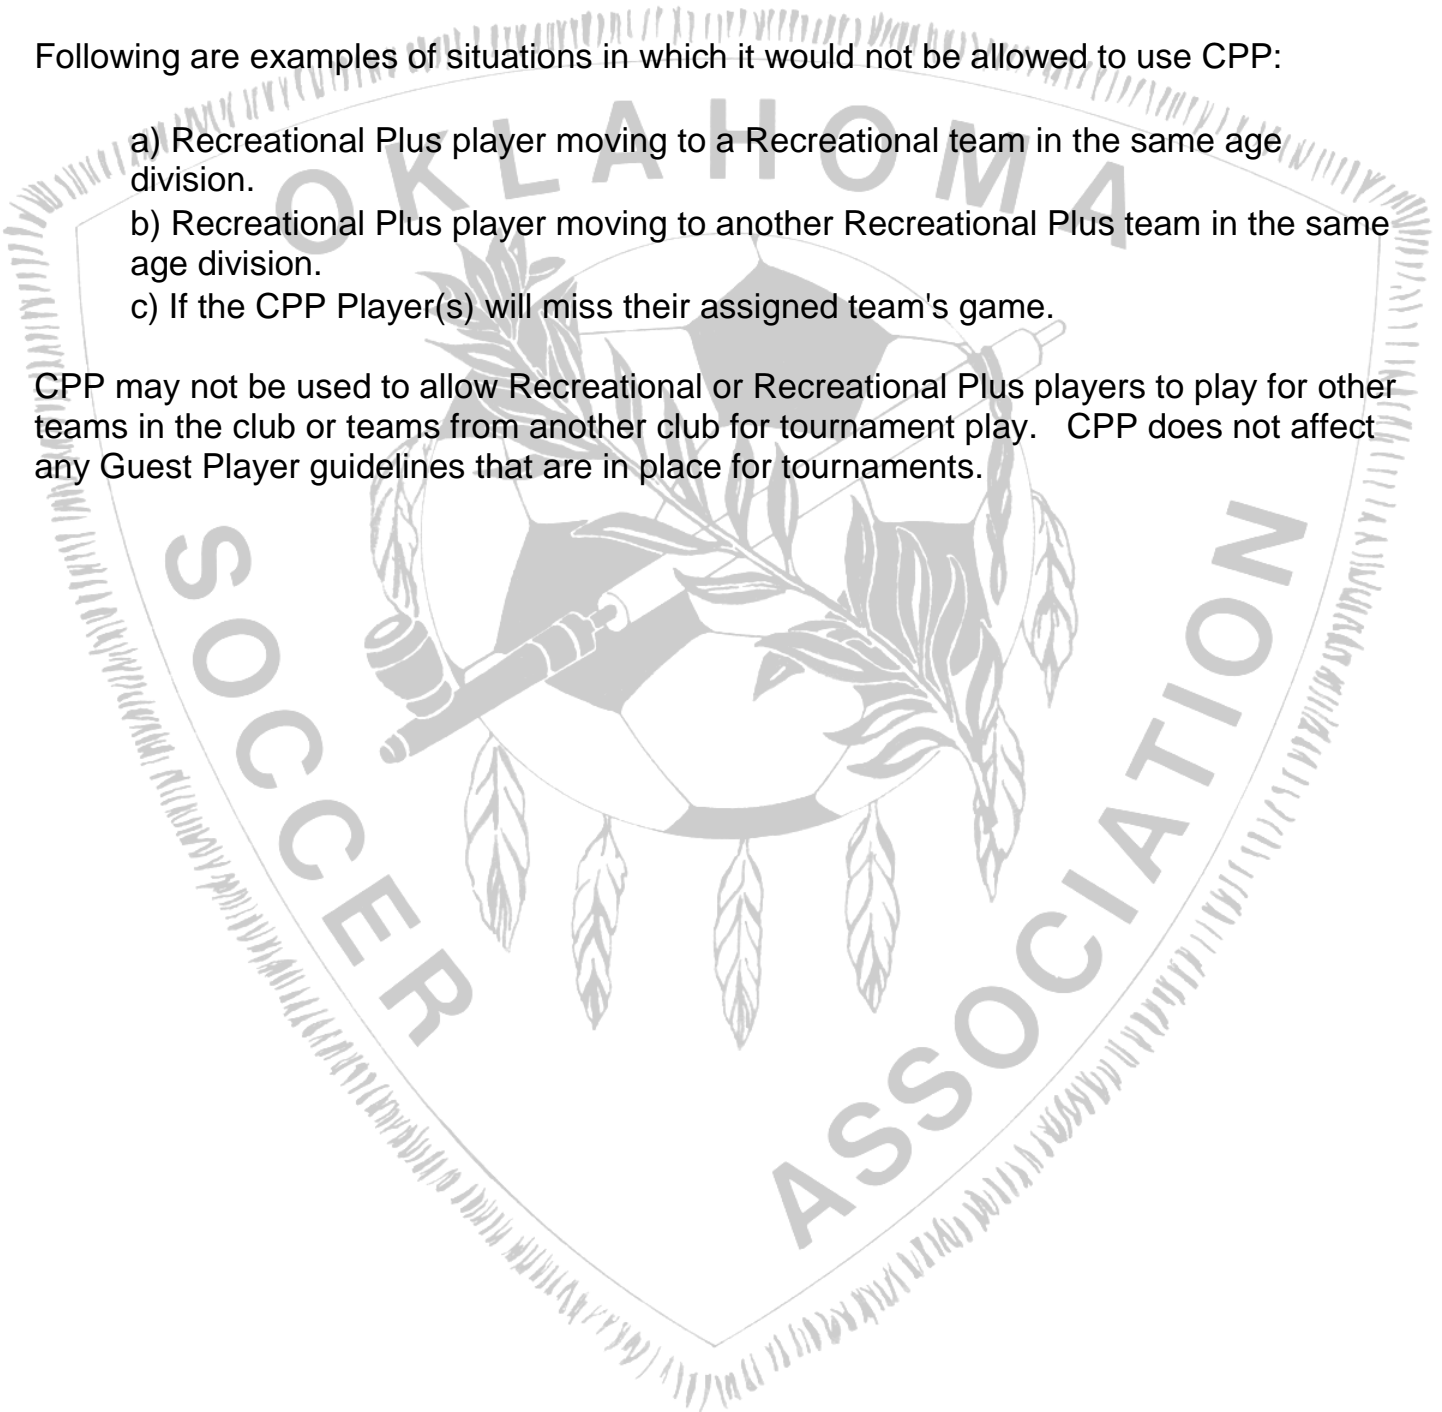

U15-U19 **Four** CPP Players

e) CPP players will be added by the Club Registrar for recreational teams for a League game in accordance with the number of CPP players allowed.

Following are examples of situations in which it would not be allowed to use CPP:

- a) Recreational Plus player moving to a Recreational team in the same age division.
- b) Recreational Plus player moving to another Recreational Plus team in the same age division.
- c) If the CPP Player(s) will miss their assigned team's game.

CPP may not be used to allow Recreational or Recreational Plus players to play for other teams in the club or teams from another club for tournament play. CPP does not affect any Guest Player guidelines that are in place for tournaments.

## Appendix C

### **OKLAHOMA RECREATIONAL LEAGUE COMMITTEE POLICY REGARDING RESTRICTED PLAY TIME FOR ALL RECREATIONAL PLAYERS**

3-26-2015

As per Oklahoma Recreational Policies and Procedures Part III Section H., each player on a recreational team has the right to play at least 50% of every game in which the team participates. The Oklahoma Recreational League Committee deems that it shall be the responsibility of each coach to strictly comply with this policy. Notwithstanding this, it is recognized that there are instances in which this right may be restricted.

This policy of the Oklahoma Recreational League Committee permits a coach to deny the player's right to play in one game, or restrict playing time to one quarter of a game; provided that the coach must have established a written disciplinary policy setting forth standards which differentiate between discipline for failure to practice and discipline for unsportsmanlike or violent conduct at practice. Such disciplinary policy must be approved by the Home Club and be published to the team's players and players' parent(s)/guardian(s) prior to the commencement of the season. This policy and any club or team standards of conduct shall be uniformly applied, without bias, to all players on a team. In no instance may a coach restrict playing time below one half game in consideration of a player's ability or skill.

The Oklahoma Recreational League Committee has adopted the following requirements for application of this policy:

3. A coach may restrict playing time to a single quarter of one game for three or more absences to practice provided that the reason for such absences are not for attendance at school or church functions. In order to document such absences it is required that each coach note player attendance to practices and be able to provide specific information as to the dates of practices missed. Such restriction must be noted on the game form and the player and player's parent(s)/guardian(s) must be notified in twenty-four hours advance.
4. A coach may deny for one game a player's right to play for violent or unsportsmanlike conduct at practice. Such restriction must be noted on the game form and the player and player's parent(s)/guardian(s) must be notified twenty-four hours in advance.
5. In any situation where the coach believes it is necessary to deny or restrict a player's playing time, the written approval of a Club Administrator must be obtained in advance of notification to the player.

This policy does not preclude restriction of a player's playing time due to injury, illness or other substantive reason as mutually agreed upon by the coach, player and/or player's parent(s)/guardian(s).

Failure to comply with this policy may result in disciplinary action against the coach by the governing authority in accordance with ORL Policies and Procedures, Section IX.
