Re: League information

Oklahoma Soccer Association would like to inform our loyal members that 3 current competitive clubs are leaving our soccer family.

We understand they will be forming their own league under a different entity and running it between themselves.

The departing clubs that have informed us are South Lakes, Norman, West Side Alliance and we are led to believe that they are also in this with Tulsa Soccer Club Hurricane and NEOFC.

The decision made by these clubs means that none of their players and teams will be eligible for National Championship Series, State Cup, Presidents Cup, SRPL, Regionals and National League or ODP, as they will not be registering with **Oklahoma Soccer** and US Youth or playing in US Youth leagues during the year.

Moves like this have been made all over the country and in our opinion have not gone too well. This is a clear division of youth soccer in our state.

We are dedicated to serve our loyal members and look forward to the upcoming year.

For the Good of the Game,

Tracy Storck
