5.01.01 The home team is responsible for printing the score card from GotSoccer, bringing it to the match, and presenting it to the referee.

5.01.02 All players participating in the match must be noted on the score card. This includes player names, player ID number, and jersey number. Players listed on the score card but not participating in the match must be crossed off. Club Pass players must be designated as such and included on the score card. Hand-written information is acceptable.

5.01.03 At the conclusion of the match, both coaches must sign the score card. The home team is then responsible for calling the results in to GotSoccer, including the score, red cards and yellow cards. Basic instructions are included at the top of the score card.

5.01.03.1 It is the Home team's responsibility to call the final game score into GotSoccer using the phone number, Event ID, and Pin# listed at the top of the game card. Scores should be called in within 24 hours after the game is completed. Games without scores shown in GotSoccer will be recorded as a forfeit in favor of the Away team, as it is the Home team's responsibility to report the score in a timely manner.

5.01.03.2 A coach who refuses to sign the score card, regardless if he/she agrees with the outcome or any portion of the match, will be considered as having been ejected from the match. Suspension rules will apply.

5.01.03.3 Score cards should be kept on file by the home team until the end of April of the seasonal year. If, in the event of a roster discrepancy in the Open/State Championships, the home team must furnish the roster to AYSA upon request.

5.02.03 All unpaid fines become the debt of the club.

5.03 Scoring Method

The standings of teams within a division are based upon the number of points earned.

Teams earn points as follows:

Three (3) points for a win

One (1) point for a tie

No (0) points for a loss

Three (3) points for a forfeit

5.04 Forfeit - Points

Forfeits are scored as 4-0 victories in favor of the non-forfeiting team.

5.05 Uneven Number of Games

In the event that the teams in a Division do not play the same number of games due to unforeseen circumstances but, not including games that teams refuse to play (i.e. forfeits), the Final Standings may be determined by using the percentage of points earned versus the maximum points the team could have earned. The ASL Committee will also determine any tie-breaking procedures that may need to be applied.

5.06 Tiebreakers—Two Teams are Tied

If two teams are tied on the basis of points earned, the team's placement will be determined in accordance with the following sequential criteria:

- (a) Winner of head to head competition
- (b) Winner of most games.
- (c) Goal Differential (goals scored minus goals against max four (4) per game)
- (d) Fewest goals allowed.
- (e) Fewest disciplinary points (yellows and reds earn caution and ejection points)
- (f) Coin toss

5.07 Tiebreakers—Three or More Teams That Are Tied

If three or more teams are tied on the basis of points earned, the final rankings will be determined in accordance with the following sequential criteria. When a team ranks last on any criteria, they will be eliminated from consideration and the sequence will begin again for the remaining teams.

- (a) Points earned in head to head competition among the teams
- (b) Winner of most games.
- (c) Goal Differential (goals scored minus goals against max four (4) per game).
- (d) Fewest goals allowed.
- (e) Drawing of lots.

5.08 Match Line Up

Each team must complete and provide a Match Line Up on the gotsoccer game card and a copy of the team roster, including club pass players if applicable, to the Referee at least thirty (30) minutes before the match. No more than 18 players from a team may be in uniform or play in a single match (no more than 16 players for 11U and 12U games). Any team that plays an ineligible player in a match forfeits that match. A team that plays an ineligible player shall forfeit any match in which an ineligible player played and be subject to disciplinary action including but not limited to suspension or expulsion of the team and team officials from the POSOL.

***No more than 5 Club Pass Players per POSOL game. Club Pass Players must be written on the game card and must include First and Last Name, ID #, and DOB**

5.09 Forfeited Matches

An POSOL team that forfeits a game by failing to appear shall be subject to a fine assessed against its club and collected before any team from that club can be admitted to a subsequent POSOL season and be declined to the POSOL, for the next season of participation. The amount of the fine shall be determined each season by the League Commissioner and approved by AYSA's Executive Director.

5.10 Uniforms

Teams playing in the POSOL are only permitted to wear the following on their game uniforms:

- (a) US Youth Soccer logo

No other patches or logos are permitted unless written permission is granted by the League Commissioner and League Operation Committee. Referees are required to instruct the player and/or team to cover any logos that are not listed above and report the incident to the League Commissioner within 24 hours following the conclusion of the match.

SECTION 6. MATCHES

6.01 Scheduling of POSOL Games

The League Commissioner will schedule all POSOL matches. Once the POSOL publishes the season schedule, no match can be rescheduled. In the event that matches are postponed by the POSOL, the League Commissioner will reschedule the matches at the earliest possible reasonable date.

6.02 Match Schedule and Rest Periods

All matches will be played as scheduled, unless weather conditions dictate. It is the intent of the league to play only one match per day; however, when circumstances dictate, no more than two matches a day will be scheduled and no more than three matches per Friday/Saturday/Sunday weekend. Every effort will be made to provide for a minimum of three hours rest between matches.

6.03 SEASON

6.03.01 The league will host one or two seasons, each season consisting of six games. The number of seasons by age group is shown in Appendix A.

6.03.02 Teams may enter one or both seasons. A team playing in Season 1 is expected to play Season 2.

6.03.03 Blackouts

6.03.03.1 Season 1: Each team will be granted up to two blackouts, in which they may indicate two specific Weekends (must blackout Friday, Saturday, and Sunday) on which league games will not be scheduled.

- 6.03.03.2 Season 2: Each team will be granted one blackout, in which they may indicate one specific Weekend (must blackout Friday, Saturday, and Sunday on which league games will not be scheduled).
- 6.03.04 Coaching Conflicts: Teams may request that the league not schedule games with conflicting times for two teams coached by the same person. Both teams must participate in the Port of Subs Open League. The league will try to schedule around the two team's scheduled games. However, there may be occasions where it is not possible.
 - 6.03.04.1 A team may utilize a substitute coach, provided that substitute is properly registered both with the club and with AYSA. The coach need not be formally assigned to that team, but must be a coach within the same club.
 - 6.03.04.2 In order for the league to consider potential coaching conflicts, both teams must list the coach as the official head coach for the team within GotSoccer. The spelling of the coach's name must be identical for each and use one GotSoccer coach account.
- 6.03.05 Games and fields
 - 6.03.05.1 Games will be played as a series of home and away games, as scheduling permits. Ideally, in a 6-game season, a team will have three home games and three away games. However, due to field availability, blackouts, and coaching conflicts, this is occasionally not possible.
 - 6.03.05.2 Clubs must furnish home fields of sufficient quality and quantity to allow the potential of 50% home games on each of the season Game Days (Clubs must have fields for each play date in order to receive 50% guaranteed home games). In cases where home fields are not available on a specific weekend, the home club may contract for an "outside" field, or the game may be scheduled at the opponent's field. When games are held on the field of the Away team, the home team will be called on to pay reasonable amounts for game day expenses, examples of which are shown in Appendix D. Since a home game involves expenses designed to be paid by the home team, expenses of any home game played on the away team field will be paid by the home team. Sample expenses are shown in Appendix D and are to be used if the Away team (hosting team) does not know their game hosting expenses.
 - 6.03.05.3 In cases where a team supplies no home fields for the duration of the season, that team's home game expenses will be reimbursable to the hosting club. Examples of home game expenses are shown in Appendix D.
- 6.03.06 Rescheduling Games
 - 6.03.06.1 Once the schedule has been published, the dates of games may not be changed except for the following reasons:
 - 6.03.06.1.1 The field is closed by the city or other governing entity.
 - 6.03.06.1.2 Inclement weather causing the field to be closed.
 - 6.03.06.1.3 Scheduling errors made by AYSA.
 - 6.03.06.1.4 AYSA deems it in the best interest of Arizona soccer.
 - 6.03.06.1.5 The home club may change the times of the games on the scheduled date (the date may not be changed) to better

accommodate referee and/or field scheduling. However, the home club must contact the opposing team within a reasonable amount of days before the scheduled game to determine if a change would pose a coaching or team game conflict. Both teams must agree to the change and are requested to work together to resolve scheduling issues.

6.04 Inclement Weather

The League Commissioner or his/her designee shall have the sole authority to postpone a match due to inclement weather and/or unplayable field conditions prior to the kick-off of a match. The League Commissioner will be responsible for notifying all teams regarding game postponement due to inclement weather. All reasonable efforts must be made to complete the match on the scheduled dates.

6.03.01 The Referee may postpone the game for inclement weather or unplayable field conditions if the League Commissioner or his/her designee is not onsite or available.

6.05 Referee Jurisdiction

The Referee shall have has the authority to take disciplinary action from entering the field of play for the pre-match inspection until leaving the field of play after the match ends (including kicks from the penalty mark). Each match will be controlled by a Referee who will have the full authority to enforce the Rules of Play and the Laws of the Game.

SECTION 7. RULES OF PLAY

A match shall be considered official after one full half of play is completed (the second half does not have to start). If less than one half is completed and the match is abandoned, the entire match must be replayed, subject to review by the League Operation Committee. If a match is abandoned in the second half of play due to inclement weather, the final score will be the score at the time the match is abandoned. If a match is abandoned due to gross misconduct, the League Commissioner will decide the disposition of the match score following review of all information available including but not limited to Referee Game Reports, reports from POSOL staff, etc.

7.06 Forfeits-Lack of Appearance

Failure to appear or failure to timely appear for a scheduled match will result in a forfeit. A team must be present and ready to play within 10 minutes of scheduled match time. For unforeseen circumstances (traffic accident), the League commissioner has the authority to delay the match time.

7.07 Anchored Goals

The Referees shall inspect the integrity of the goals to ensure they are secure and suitable for play. Matches shall not begin until both goals have been firmly secured.

7.08 Player Passes and Rosters

Each team must bring a laminated US Youth Soccer pass for each player and Team Official signed by an official from AYSA, a POSOL game card, and a copy of their official POSOL roster to every match. Game cards, rosters, player and team official passes must be given to the Referee thirty (30) minutes before the start of the match.

AYSA – ARIZONA OPEN LEAGUE RULES

APPENDIX J

Unplayed Matches/Missing Game Process

The purpose of this information is to help teams and clubs understand what AYSA leagues administrators do when league games are not played due to field condition, weather, and other instances out of control of league teams and for whatever reason cannot be made up before the end of the season. This is not a remedy for forfeit. Forfeit games are scored according to the rules of the league. This process is used when games simply are not played as described in this paragraph.

It is preferred that all league games get played. The teams have more control over games being played as scheduled and according to league rules than the league does. This process for missing games is used only when games are not played.

For missing games, a simple formula is applied to potentially add standings points for such unplayable games. The formula adds standings points based on the average rate at which a team has earned standings points for games which were played and have recorded scores for the season. Here is a very simple example:

1. At the end of the current season, Team A has played five games and has ten standings points.
2. Team A did not play one scheduled game near the end of the season and there was no way for the game to be made up.
3. Since Team A earns an average of two standings points per game played (ten standings points divided by five games played), in place of the sixth game (the missing game) the formula adds two points to the total standings points for Team A resulting in twelve standings points to be used in team placement in the final division standings.

The formula approach is very simple and is used when one or two game results for a season are missing. With more than two game results missing, the fairness of the formula diminishes and is used only with the approval of the league management. It is always preferred that games get played. If that is not possible, the information above is used to create standings.
