

**LEXINGTON, KY, July 9, 2015** - The inaugural season of the Kentucky Premier League (KPL) is now complete. The season ran from August 2014 – June 2015 and included almost 500 premier level youth soccer games across all divisions. In its inaugural season, 45 girls teams participated in the KPL between the U13-U18 age groups. We are excited to announce the 2014-15 KPL Champions and Finalists in the girls divisions.

In the U13 girls division, Kings Hammer Academy Red put on a great show throughout the season winning the division with a 14-1-1 record while scoring 77 goals and only giving up nine. This is the best goal differential across all divisions in KPL. Lexington FC also had a great season, finishing as division finalists in the inaugural season. Lexington FC put up a tough fight against Kings Hammer Academy, winning the first match 5-4 and tying KHA Red 1-1 in the second match up.

Lexington FC White U14 Girls did not lose a game as they won the division title with an 11-0-5 record. Defense helped Lexington FC to the title with an incredible nine shut outs this season. United 1996 International finished the season as the division finalists.

In the U15 girls division, Kentucky Fire Juniors Premier Red and Lexington FC White made the division a tight race with neither team losing a game. Kentucky Fire Juniors took the Championship by finishing the season with five wins and a tie while Lexington FC finished the season as division finalists with four wins and two ties.

In another close race, Kings Hammer Select Wiefering won the U16 girls division by one point over the Derby City Rovers. Kings Hammer had five wins, one tie and a loss while Derby City Rovers ended the season with a 5-2-0 record. Derby City put up a good fight as they handed Kings Hammer their only loss of the season.

In the U17 girls division, Lexington FC U16 White, Javanon 99 Black and Boyle Elite were all tied at the end of the season with a 4-1-0 record. Lexington FC White won the division with a +15 goal differential while Javanon Black had a +12 goal differential to finish as division finalists. Boyle Elite ended the season with a +5 goal differential.

Another tight division race was decided by goal differential in the U18 girls division. Kentucky Fire Juniors GU17 Premier Red and Lexington FC White both finished with a 3-1-0 record but Kentucky Fire Juniors had the edge by scoring nine goals for and allowing none. Lexington FC did not give up any goals in the season but only scored four goals to become the division finalists.

Congratulations to the 2014-15 KPL Champions and Finalists! We look forward to the KPL continuing to grow and impact the development of players in Kentucky.

###

The Kentucky Premier League was developed to create a pathway to the Midwest Regional League (MRL) and US Youth Soccer National League. In addition, the purpose of the League is to promote the development and execution of highly skilled youth soccer, sportsmanship, quality coaching and officiating within the Commonwealth of Kentucky.
