Location: Gambrills, MD

Founded: 1984

Population: 2000+ players

Programs: Travel and Recreation

Website: www.arundelsoccer.com

Contact: info@arundelsoccer.com

The Arundel Soccer Association (ASA) was established in 1984 and helps young players learn about and enjoy soccer while promoting the traditional goals of amateur sports.

ASA offers a number of participation options from recreational to county league and travel. The recreational portion is split into three categories; clinic, juniors and seniors and is designed to transition players to the county league. From county league, players who desire a higher level of competition are transitioned into the travel program. ASA travel teams participate in vari-

ous Maryland leagues in addition to regional and national leagues, if desired.

ASA is run by a dedicated board of volunteers and a group of senior and special staff members. MSYSA is honored to have ASA as a member and is proud of the work being done to improve the lives of young people through the sport of soccer in their local community!

Azzurri 4th straight State Championship!

MSYSA is Proudly Affiliated with US Soccer and US Youth Soccer
