The DeMatha Soccer Academy (DMSA) was established in 2014 to provide DeMatha student-athletes with an ability to participate in a 10-month soccer program by combining the fall high school season with a winter, spring and summer club soccer experience. The DMSA is committed to ensuring the development and success of its players on the field, in the classroom and in the community.

The DMSA has a clearly articulated approach to player development which includes aspects of training, games, academics and service and faith. Additionally, winter ID camps and a summer camp are offered each year.

The DMSA is run by a dedicated office staff of two and MSYSA is honored to have the DMSA as a member. MSYSA looks forward to the continuation of opportunities being provided by DMSA to their players and their relentless pursuit of excellence.
