Website: www.crownsportscenter.com

Contact:

colelacey@crownsportscenter.com

The DelMarVa Super League was started in 2016 with the goal of providing local teams with an opportunity to participate in a US Youth Soccer sanctioned league that serves as a qualifying league for State Cup participation. Prior to this league affiliating with MSYSA teams from the local community were required to travel long distances to participate in a qualifying league.

The DelMarVa Super League is administered by the Crown Sports Center which is fortunate to have outdoor bermuda grass fields, multiple indoor fields, an arcade and

concessions all designed to create a world-class environment. The Crown Sports Center is run by Director Cole Lacey.

MSYSA is proud to have the DelMarVa Super League as an affiliate member and is committed to bringing additional programming opportunities to that part of the state through the working relationship that has been established with the Crown Sports Center.

MSYSA is Proudly Affiliated with US Soccer and US Youth Soccer
