The Potomac Valley Youth Association (PVYA) has grown into one of mid-Maryland's largest soccer programs while setting the standard that every coach will be certified by either US Soccer or the National Soccer Coaches Association of America (NSCAA).

Through the commitment to have every coach certified, players age 6-12 are receiving better technical training designed to maximize the "Golden Years of Soccer" for the benefit of each and every player.

The PVYA soccer program is overseen by a dedicated board of directions and the day-to-day operations are run by the Soccer Programs Director, Kim Cook.

MSYSA is proud to have PVYA as a member club and is committed to working together to further grow, enhance and improve the sport of soccer in Maryland!

MSYSA is Proudly Affiliated with US Soccer and US Youth Soccer
