The Takoma Park Soccer Club was established in 1985 with the goal of providing local kids with a fun, recreational soccer program close to home. Takoma Soccer strives to teach children the value and fun of teamwork, cooperation, practice and sportsmanship.

Takoma Soccer offers programming for players age 3 through the completion of high school in addition to summer camps, travel soccer opportunities and a soccer fest each year!

Takoma Soccer is run by a dedicated group of volunteers and MSYSA is proud to have Takoma Soccer as a member. MSYSA is grateful for the programming that Takoma Soccer is making available and is committed to working hand-in-hand to continue providing soccer opportunities to the youth in the Takoma Park community.

*MSYSA is Proudly Affiliated with US Soccer and US Youth Soccer*
