intramuralsoccer@wmaasports.org

The Wolfsville-Myersville Athletic Association (WMAA) was established in 1996 and provides opportunities for children to play soccer at either the intramural or recreational travel level.

The intramural division is designed to introduce young players to the game of soccer and to acclimate them to working in a team environment before advancing to the recreational travel division. The recreational travel division provides a higher level of competition as teams participate in the Frederick County Youth Soccer League.

The WMAA has Mark Spurrier serving as the Travel Soccer Coordinator and Dawn Henson serving as the Intramural Soccer Coordinator.

MSYSA is proud to have the WMAA as a member and is excited to continue supporting this club as it improves the lives of young people through the sport of soccer in their local community!

Players from the WMAA.

MSYSA is Proudly Affiliated with US Soccer and US Youth Soccer
