

How to Print a Game Day Roster

*Only coaches and administrators who are rostered to the team in the system have access to print game day rosters.

1. Go to www.utahyouthsoccer.net
2. Click on Member Login in the top right hand corner of the page.
3. Log into your UYSA Coaching/Admin Account (This account should still be linked to your family. The screen is split in 2 halves, pictures on top, tabs on the bottom half.)
4. Click on the "Teams" tab under your family information.
5. Click on the "Tournament & Schedule Apps" tab
6. Select the "Game Scoring/Scheduling" option
7. Click the "Print Roster" button by the game. (The print roster button will appear 24 hours before a game, **Teams are encouraged to print as close to game time as possible.**)

****Coaches and Admins****

This is also where you find contact information for the other team for reschedules, click directly on the name of other team.

NOTE: It is no longer required to print a roster for the other coach.

Referees should check the date and time stamp on the roster and use the one that is most recent.
