

Multiple Roster Form

Multi-Rostering is a privilege not a right, and must be approved by the coach and Membership Organization (Club).

This is an acknowledgement that the player listed below is playing on two teams. The player's first obligation is to the Primary Team. If a player wants to change the primary team, he/she may do so by following the standard transfer procedure.

Please note that multi-rostered players may no longer Club Pass. This includes both their primary and secondary team. If it is found that a multi-rostered player has club passed, the game(s) that they were illegally rostered will be marked as forfeits.

It is the Parent/Guardian responsibility to complete the fields with the required information and signatures. Incomplete forms will not be considered.
