Rule 1- 6 Plus 3 Rule

Teams may apply for an alignment spot. The team will have to show roster continuity of at least 6 Players from the original team and add at least 3 more from the same team or another team in the same division or higher.

(+3 based on alignment spot AFTER promotion and relegation)

EX. A team in U13 D1 finished 1st place, Promoted to Premier 2 in the U14 age group, and wants to apply for a U13 Premier 2 spot based on age group. Must show 6 players from original team +3 from a Premier 2 team or higher; not a Division 1 team.

Guideline for rule #1 for U9-U12 age groups

U11 and U12 must have 5 returning players plus 2

U9 and U10 must have 5 returning players

Rule 2- If a team currently plays in the National League or Desert Premier League and they are splitting, they will hold alignment spots in the older and younger age groups.

If you need to add additional players to your roster to show proof for alignment please add their info here
