

Utah Youth Soccer Association Return-To-Play Guidelines Yellow Phase: Low Risk

Member organizations (57 non-profit youth soccer clubs) and independent teams are permitted to offer modified training sessions starting Monday, May 18th

Training Restrictions:

- No spectators allowed
- Practices must be conducted outdoors
- Players with fevers or other symptoms are not permitted to practice
- Players/coaches must use hand sanitizer before, during breaks, and after practice
- No Congregating Policy for players or parents in parking lots, at drop off zones, at entrance / exit areas of facility, or before or after training session
- Compliance with all local and state guidelines

Member Organization Requirements:

- Assign a COVID-19 Safety Officer who will ensure that policy is communicated club-wide to coaching staff, parents, and players as well as send regularly scheduled updates and reminders
- Any confirmed case of Covid-19 within a team will require cancellation of all training sessions for that team, and any other teams associated with that coach, and immediate call to the local Health Department

Coach Requirements:

- Coaches must always wear PPEs when addressing the team or players within a 6ft radius
- Limit equipment brought to practice, disinfecting all equipment before / after use
- Do not allow players to share pennies, other equipment, or water bottles
- Report confirmed cases of COVID-19 to member organization immediately and cease trainings
- Require parents to confirm their child is symptom free before attending training by answering three questions:
 1. Do you have a temperature at $\geq 38^{\circ}\text{C}$ (100.4°F) or $\leq 35^{\circ}\text{C}$ (95°F)
 2. Are you currently experiencing any symptoms including fever, cough, shortness of breath, lost sense of smell or taste, nausea/vomiting/diarrhea?
 3. Do you have anyone in your household that has tested positive for COVID-19, or exhibited a fever, cough, or shortness of breath?
