Grassroots and D License Waiver Form

*****A waiver is not a coaching license; the required coaching course(s) must be completed to receive a license***

Each Competition Team that has a coach who coaches multiple teams, is required to have an assistant coach with the proper licensing on the roster. Directors of Coaching (DOC) should use discretion in organizing their staff and team assignments. An assistant coach is expected to be able to fill in for the head coach should he/she have multiple match conflicts. Assistant coaches should not be assigned to so many teams that they cannot cover for the head coach. An opposing coach is under no obligation to reschedule a match due to a coach/assistant coach with schedule conflicts

Grassroots License - allows an applicant to be rostered as a coach or assistant coach on one or more competitive teams in any age group or play level (bracket) except in the U14-U19 Premier 1 or/and 2 levels.

D License - allows an applicant to be rostered as a head coach on one or more U14-U19 Premier 1 or/and 2 levels. (also covers all teams under the Grassroots License)
