

Indiana Soccer and ISL are committed to:

- Placing the key playing/policy decisions in the hands of the DOCs.
- Player Registration rules that permit the DOCs to make the decisions on the appropriate age/level team for each player instead of restrictions due to birthdate.
- Very flexible, club friendly club pass system – eliminating administration paperwork necessary to move players between teams in the same club.
- A Promotion/Relegation system designed by the DOCs.
- Finding an ISL Commissioner with a soccer background to help guide the league.
- League calendars/play dates announced a minimum of 6 months in advance.
- The development of players.
