

Contact ISL via GOTSOCCER

In order for ISL to communicate quickly and accurately with all the teams participating in the league, we have asked that you communicate through GotSoccer using the support ticket system.

To follow are the pages that explain the steps on how to use the system.

- Support tickets are to be used for all administration communication with the league.
- Support tickets must be used for all game change requests
 - Be sure to include game number and state that you have in fact gotten consent from your opponent.
 - No game changes will be made without consent from both teams.

A red circle highlights the "Event Support Tickets" section, which includes a button labeled "Open a Support Ticket" with a red arrow pointing to it. Below this is a feedback form titled "Feedback: How would you rate your experience at this event?". The form includes sections for "Event Organization" (Poor, Acceptable, Average, Good, Excellent), "Competition" (Biased, Unbalanced, Fair, Well Balanced), "Field Condition" (Unplayable, Messy, Average, Good, Immaculate), "Would you return next year?"
