2018 TOC FAQs:

- **Are guest players allowed at TOC?** Answer: No.
- **Does my team need any paperwork while at TOC?** Answer: Yes. Teams are required to have a printed copy of the official roster and printed copies of all players' medical releases with the team at all times during TOC games. Teams must have this paperwork with them in the event of a roster question or an injury.
- **Does my team's coach need any ID while at TOC?** Answer: Yes. All coaches must carry his/her association-issued ID or risk management card at all times while at TOC.
- **May my team skip online check-in and check-in at the fields?** Answer: No. Online check-in is mandatory; no exceptions.
- **I've completed the online check-in. Does my team need to check-in again at the fields?** Answer: No.
- **Where do I pick up the head coach's gift and the players' gifts?** Answer: An adult representative of the team may pick up the gifts at the headquarters tent at the complex where the team's first game is played, one hour prior to the start time of the team's first game.
- **Do I need to prepare/print game cards for my team's TOC games?** Answer: No. Game cards will be printed by North Texas Soccer and provided to the referees before each game.
- **Who turns in the game card after each of my team's TOC games?** Answer: Referees will turn in game cards after each game.
- **May I add a player to my team's roster?** Answer: Team rosters will be frozen on November 12, 2018. No changes may be made after the rosters are frozen.
- **A player on my team's roster is unavailable to play with the team at TOC. Do I need a medical release for that player?** Answer: No.
- **My players have completed Medical Release Forms and the forms are dated several years ago. May we use those forms?** Answer: Yes. Teams must have a valid Medical Release Form on file for all players; for TOC purposes, the date on the form does not matter.
- **Where do I find the Medical Release Form?** Answer: On the North Texas Soccer website in the Youth Forms section located under the forms menu. Click here: [Medical Release Form](#)
